

THE NATIONAL ECONOMIC DEVELOPMENT AND LABOUR COUNCIL

**MESSAGE OF CONDOLENCE TO THE FAMILY, FRIENDS
AND COLLEAGUES OF MARGARET LEGUM OF SOUTH
AFRICAN NEW ECONOMICS (SANE) network**

07 November 2007

On behalf of all NEDLAC Structures and staff members, we wish to extend our deepest shock and sadness by the news of the untimely passing away of our dear comrade, Margaret Legum on Thursday last week. We have equally been robbed of one the most dedicated, visionary and zealous member of NEDLAC Structures. Margaret Legum has been an invaluable part of the NEDLAC Community Constituency who devoted her participation here, advancing sound and selfless ideas of socio-economic agenda in various but key NEDLAC structures which deals with Fiscal, Monetary and Trade matters including sessions of the Executive Council on the National Budget.

To her family, friends, colleagues in particular the Board of Trustees of the South African New Economics (SANE) network, we hope and trust that you will find the strength and overcome the sadness and celebrate deservedly, the life of this rare to find treasure of our new democracy.

May her soul rest in peace, she will dearly be missed by us at NEDLAC.
